37 CRIMINAL CASES ON LIST FOR NEXT COURT

Thirty-seven cases are scheduled so far for the August term of court, according to the trial list released today by the county clerk of courts.

Seven are continued from previous terms and 30 are current. Seven defendants have pleaded guilty and 16 cases are scheduled for grand jury action.

Court attendants said the list was the largest in years for an August term. The grand jury will meet August 21. Non-support hearings will be held August 25 and the petit jury will begin hearing the cases to be brought before it on August 28.

Two Manslaughter Cases

Cases listed for grand jury action include Richard Willman, Aspers R. 1, charged with drunken driving; Samuel B. Sackman, York Springs R. 2, involuntary manslaughter; Edward W. Rodkey, 144 West High street, drunken driving; R. W. Zuma, Jr., Fairfield and Harrisburg, two bad check charges; Garfield Slaybaugh, Orrtanna R. 2, drunken driving; Glenn C. Bixler, Hanover R. 1, public indecency; Floyd P. Sterner, Spring Grove R. 2, morals charge; Mabel B. Kramer, New Oxford R. 1, involuntary manslaughter; Wayne E. George, Chambersburg, involuntary manslaughter; Glenn W. Phillips, Jr., York Springs R. 2, morals charge; H. J. Hoff, York, fraudulent conversion; Charles Weaver, Spring Grove, forgery; Arnold Hurley, Thurmont, morals charge; Reginald Dunkinson, Gettysburg, morals charge; D. N. Henry, Spring Grove R. 1, giving a bad check.

Defendants listed as pleading guilty include Garv Keckler, York Springs R. 2, drunken driving; Warren Davis, Gettysburg R. 3, drunken driving; John Leo Gallagher, Orrtanna R. 1, turning off lights to avoid identification or arrest; Harold D. Naugle and Ralph K. Kauffman, Fayetteville R. 2, larceny of bee hives; Herman Warren, Biglerville, hit and run; William Edmond Schaible, Detroit, Mich., larceny of a motor vehicle; J. Walter Kime, Biglerville, unlawful sale of beverages and liquor.

Others On List

Other cases listed for August court include Jacob Emiet, York Springs, hit and run; Donald D. Lawver, Gettysburg R. 3, hit and run; Mabel B. Kramer, New Oxford R. 1, inadequate brakes; Grant E. Trone, Gardners, pointing a gun at a constable; Edgar L. Shepard, Biglerville R. 2, desertion and non-support; Dagon A. Dehoff, Selinsgrove, desertion and non-support; William Mock, McSherrystown, desertion and non-support; Fred W. Yealy, Hanover R. 4, driving too fast for conditions; James H. Rorer, Spring Grove R. 2, desertion and non-support; John Tony Michniak, Pittsburgh, truck overweight charges; M. S. Eshback, York, drunken driving and failure to yield one-half the highway; Albert L. Wolford, Miami Beach, Fla., false affidavit under the bulk sales act and C. Eugene Maul, Bairs Station, issuing a worthless check. In the Maul, Eshback and Wolford cases previous grand juries have indicted the defendants on the charges.

Combined Service At AME Zion Church

The Rev. Dr. Edwin Kenney, Philadelphia, will be the speaker Sunday morning at a combined worship service for parents and children to be held at St. Paul's AME Zion church, South Washington street.

Following the morning service Doctor Kenney will preside over the first quarterly conference at the church.

Music will be furnished by the youth choir at the morning service and by the young adult choir at the 7:30 o'clock worship Sunday evening at which the Rev. J. O. Fountain, pastor of the church, will have as his sermon theme, "Do You Know Him?"

Saturday evening at 6 o'clock a food sale will be held in front of the church by the primary and junior Sunday school classes. Mrs. C. Louise Stanton, church school superintendent, will be in charge.

ON ACTIVE DUTY

Lt. Robert McCoy, East Stevens street, will go on active duty for two weeks Saturday with the Air Force at Olmstead Field for the summer training period, conducted for the Reserve unit of the Air Force in this section.

FOUR COUNTIANS GIVEN DEGREES

Four Adams countians will be among the 516 men and women who will receive degrees at the Pennsylvania State College summer commencement exercises Saturday morning. Dr. Milton S. Eisenhower, president of the college, will confer bachelor's degrees on 226, master's degrees on 260 and give doctorates to 29.

Donald Richard Ernst, a teacher in the Upper Adams joint district high school at Biglerville will receive the degree of master of education with a major in education.

The other master's degree will go to John H. Riley, 2 Lumber street, Littlestown, who is a teacher in the Littlestown Junior high school. He also will receive the degree of master of education with a major in education.

Mrs. Gladys D. Spittal, Biglerville, a teacher in the public school of Center county, receives a bachelor of science degree in education and Samuel Clayton Rice, Arendtsville, will be given a B.S. in pre-veterinary curriculum.

The commencement address will be delivered by Dr. W. McNeil Lowry, chief of the Washington bureau of the James M. Cox newspapers.

Elected To Teach In Spring Grove

The Spring Grove Joint District School board elected teachers at a recent meeting to fill positions open in the district schools.

Miss Eva Jane Schwartz, daughter of Mr. and Mrs. Howard Schwartz, Littlestown R. 1, was elected to teach the home economics course in the high school. She will replace Miss Helen E. Brown, who resigned last term.

Miss Schwartz is a graduate of the Gettysburg high school and Indiana State Teachers college. She spent the last five years as head of the vocational homemaking department at Elizabethtown high school in Dauphin county.

Following her election, she met with a committee from the school board to make recommendations for the purchase of new equipment for the homemaking department as well as for the cafeteria. In addition to her duties as a teacher, she will assist in the planning of menus for the cafeteria and will keep the necessary records and forms.

CONSERVATION DEMONSTRATION HALTED BY RAIN

Members of the Cannonball chapter of the Pennsylvania Young Farmers' association, with their soil conservation demonstration interrupted by rain Thursday before it was completed, today made plans to help Lawrence Heltzel, Gettysburg R. D., on whose farm it was held, to finish the job over the next several weeks.

Alton H. Good, president of the organization, said the members, as they had time available, will go to the Heltzel farm to carry out the additional work. At the same time he expressed satisfaction that so much of the soil conservation demonstration was completed before the downpour turned the newly plowed fields into mud.

The members pointed out that the heavy shower, which hit the demonstration at about 3 o'clock Thursday afternoon, showed the value of the work they had done during the morning and early afternoon.

Praise From Warner

Water four inches deep poured off a cornfield on a hill at one end of the area they had had terraced and ditched. As the water hit the first of the diversion ditches and poured on down into the terraces it slowed until only a trickle of water appeared at the bottom of the hill.

Henry "Andy" Warner, Chambersburg, district conservationist for Adams, Franklin and Fulton counties, who aided the members of the chapter in carrying out the work, termed the demonstration "one of the best I have ever seen, not only because of the work done, but because it is the club's project and not anyone else's. The members had the idea, and carried it out. They called us (the Soil Conservation Service) in to give technical advice. But it's their show, and they've done a good job."

Good thanked the conservation district members, the various machinery dealers who loaned their equipment, the wives of members who operated refreshment stand, and the several hundred farmers who turned out to view the demonstration, noting that "without the cooperation of everyone, the job could not have been done."

Pulled Up Tree By Roots

The demonstration had been designed to show what could be done by farmers working with only the equipment available on most farms.

SUIT SETTLED WITHOUT TRIAL

Judge Ray P. Sherwood Thursday issued an order in the York county court approving a compromise settlement of a suit arising from an automobile accident in Hallam in March, 1949. Amount of the settlement was \$1,035.

An action in trespass had been brought for Arthur R. Mackley, a minor, by his father, Robert H. Mackley, Hallam, and by the father in his own right, against Joseph P. Small, McSherrystown.

Ten-year-old Arthur Mackley was struck by Small's car on March 23, 1949, when he darted into a street in or near Hallam in the path of Small's automobile, according to papers filed by the law firm of Markowitz and Liverant, Mackley's counsel.

The car struck the boy who suffered multiple lacerations of the scalp, a concussion of the brain and other injuries. The \$1,035 will be used mostly for medical expenses.

Mackley stated that he believes Small's \$1,035 offer for a settlement is "reasonable, just and satisfactory and a full compensation for all damages."

His petition for a compromise settlement further pointed out that "there is grave danger, if the suit is adversely pressed to trial, that a verdict in favor of the defendant may be reached both on the grounds of contributory negligence . . . and because there appeared no eye witnesses to the accident."

200 Fruitmen To Take Virginia Tour

More than 200 persons are to take part in the annual field tour of the Adams County Fruit Growers' association Saturday. H. S. Stoner, Orrtanna, president of the association, announced today.

The growers will leave from the South Mountain Fair grounds in eight buses at 7 o'clock Saturday morning. They will travel to Virginia where they will be guided over the orchards of U. S. Senator Byrd. At noon they will be guests of Senator Byrd at his annual fruit growers' picnic held in connection with the National Apple Shippers conference.

BABY SITTING: Experienced, reliable woman will take entire charge of infants and children, mornings, afternoons, evenings or week-ends. Prices reasonable. Phone 32-Y.

Postpone Diving, Swim Exhibition

The diving and swimming exhibition scheduled to be held Sunday afternoon in the Gettysburg Country club pool has been postponed until Sunday, August 25, it was announced today by David C. Forney, chairman in charge.

Several performers scheduled to participate reported they would be unable to appear this Sunday.

Here And There

News Collected At Random

A new book, "The Spirit of Gettysburg," is expected to be published soon, according to a display advertisement in today's edition of The Gettysburg Times.

N. A. Meligakes, proprietor of the Plaza restaurant, Sweetland and the Bookmart, is the author of the 276-page volume. There are 24 illustrations in the new book. A Sesqui edition will be available this month.

The introduction to the new volume, which explains how Mr. Meligakes was prompted to attempt such a pretentious undertaking, is as follows:

THE SPIRIT OF GETTYSBURG was written by a Greek immigrant, Nicholas Antonios Meligakes. He is a native of the little island of Kythera, formerly called the Isle of Cerigo, most southerly of the Ionian islands off the extreme southern coast of Greece. The book represents the fulfillment of a dream, the accomplishment of a desire to present an interpretation of what the Battle of Gettysburg has meant and will continue to mean to him. It represents his own interpretation of the growth and development of the Spirit of Democracy.

Mr. Meligakes, a successful businessman, is a naturalized American citizen. His citizenship is his most cherished possession. He arrived in America 36 years ago and has been a resident of Gettysburg since 1922. Twenty-eight years ago his resources were meagre; his education in Greece was equivalent to the work given in our Junior High School. He desired to become a citizen of the United States and a successful merchant. He has attained both of these objectives.

Quietly, through the years, Mr. Meligakes struggled to acquire a working knowledge of our language and our history. He could easily understand the reasons for the various wars in which the United States has

Teeter To Drive In Glidden Tour Again

John D. Teeter, Springs avenue, is planning to take part in the 1950 Glidden Tour, it was learned today. Teeter, possessor of an ancient Ford, joined the Antique Auto Association last year when the Glidden tour started off from Gettysburg.

The ancient cars will start at Lake Placid, N. Y., this year on September 10 and will travel to Montreal and Ontario in Canada.

Intersection Scene Of Two-Car Crash

Cars operated by Charles D. Wagaman, 28, Orrtanna R. 2, and C. Eugene Painter, 38, Louisville, Ky., collided Thursday morning at the intersection of the McKnightstown road and the new Lincoln highway six miles west of here.

State police said damage totalled \$575. The investigating officers said that Wagaman was attempting to cross the Lincoln highway when the crash occurred. Painter was headed west on Route 30. Investigation is being continued.

Senate Finance Group OK's Huge Income Tax Increases

WASHINGTON, Aug. 11 (AP)—The Senate finance committee today approved an annual increase of about \$3,000,000,000 in personal income taxes.

The bill authorizes the government to begin digging deeper into the pockets of over 50,000,000 taxpayers on October 1.

At the same time, the committee instructed its staff to draw up an exemption which would have the effect of removing taxes from members of American fighting forces below the commissioned officer rank in Korea and other areas of hostilities. Some exemption also would apply to officer personnel, under this plan.

If the Senate and House approve the tax bill, as they are expected to do, the tax obligations of individuals

20 AGRICULTURE TEACHERS GIVEN FORESTRY DATA

Twenty vocational agriculture and veterans agriculture class teachers from Adams and Franklin counties "went back to school" Tuesday and Wednesday to learn more about forestry.

The "school" was conducted in and about Caledonia with T. R. Jones, supervisor of Forestry education for the Department of Forests and Waters, and M. H. Hench, division of Forest Management of the State department, as the principal instructors.

Three members of the Michaux forest district also took part in instructing the teachers. They were Thomas G. Norris, district forester; Richard Dalton, assistant district forester, and Robert Rumph, service forester, all of Caledonia.

Using Cradling Sticks

On the Waynesboro Water company tract the teachers were shown the light, soil and moisture requirements of different tree species, and were shown a demonstration of how greatly forests aid in retaining rainfall.

At Brandon Hollow they were shown how to make an inventory of a woodlot, and how to use cradling sticks for determining the amount of board feet in standing trees.

At Caledonia plantation and Mt. Cydonia plantation they were shown where and when to plant trees and how to select the species to be planted, how to space trees and methods of thinning and pruning. Near Falling Spring they were shown the disadvantages of grazing in woodlots.

Teachers Attend

Traveling to Rocky Mountain Hollow they were shown how to thin stands and utilize the thinnings and at the Nunemaker woodlot near Mont Alto they were shown methods of weeding young natural stands.

Among the vocational agriculture teachers attending were Cecil Snyder, John Kratzert, E. H. Schriver, Linn Shatzer, Herbert Heberlein, Joseph Hess, James Wilson, William Robinson, Harry Miller, E. E. Blackburn and M. O. Mumma. Veterans teachers attending included Lorin Weigand, Carl Seifert, Daniel Padock, Millard Fitzgerald, Herbert Baker, Frederick Block, Carroll Baser, Ralph Kline and Donald Johnston. John Kratzert, Jr., of New Oxford, also attended the sessions as did Richard C. Lighter, county vocational agriculture supervisor.

R. C. WILL TRAIN INSTRUCTORS IN HOME NURSING

The Adams county Red Cross today urged nurses throughout the county to take advantage of a home nursing instructors' course to be conducted by the chapter starting Tuesday September 5 at Christ Lutheran church.

So far the school nurses of the county have registered for the 30-hour course which will be held daily from 9 to 12 each morning and from one to four each afternoon and at two night periods during the week of September 5.

Those enrolled in the course promise to devote a portion of their time in training classes in home nursing, it was noted.

The vital need for additional training of county women in home nursing is pointed up by the war preparations, the county chapter explained.

Not only is there danger of disaster from enemy action during a war, the Red Cross added, but even when no enemy threatens, nurses and doctors are called into the armed forces and thus there is a greater dependence upon home care.

The county chapter hopes to train

Arendtsville Man To Wed Saturday

The marriage of Miss Helen Kathryn Steger, daughter of Mr. and Mrs. Walter S. Steger, New Cumberland, to Samuel Clayton Rice, son of Mrs. Edwin A. Rice, of Arendtsville, will take place Saturday morning at 10:30 o'clock in St. Paul's Lutheran church, New Cumberland. The Rev. Ralph C. Sloop will officiate.

Mrs. Glenn Rudy of Harrisburg, sister of the bride-elect, will be matron of honor. Dr. David Rice will serve as best man for his brother, and ushers will be Walter V. Steger, Albert Steger and Elmer Steger, brothers of the bride, and Glenn Rudy, brother-in-law of the bride.

Miss Steger is a graduate of New Cumberland high school and Shippensburg State Teachers college and attended Pennsylvania State college. She has accepted a position as nursery school teacher in Darby. Her fiancé will be graduated Saturday from Penn State, and will enter the University of Pittsburgh Graduate Veterinarian School this fall.

ARMY TO RECALL O.R.C. OFFICERS WITHIN 80 DAYS

A number of Adams county reserve officers apparently will be called to active duty — "whether they like it or not," according to an Associated Press release from Washington.

The article quotes the army as stating that 7,862 Reserve captains and lieutenants who are not assigned to units of the Organized Reserve Corps will be called to duty by October 6.

The Second Army area, of which Adams county is a part, and which includes Pennsylvania, Maryland, Ohio, Virginia, West Virginia, Delaware and Kentucky, will provide 348 captains, 1,075 lieutenants, 148 medical, 69 dental, eight veterinary and 77 medical service officers for the call, the dispatch disclosed.

About 300 Adams countians are reserve officers of various ranks. About 33 are assigned to various units of the ORC.

According to the Associated Press, the officers will be ordered up for 21 months subject to change by Congress unless relieved sooner.

The Army said simultaneously that it will recall "involuntarily" 1,582 male officers of the active and inactive Medical, Dental, Veterinary and Medical Service Corps.

This call-up will affect officers up to the grade of major in the Medical and Medical Service Corps, lieutenant colonel in the Dental Corps and major in the Veterinary Corps.

The company grade officers being recalled include 1,808 captains and 6,054 lieutenants in 16 arms and services. They will come from all parts of the country.

This was the first Army call-up of individual officers who are not members of the organized reserve. A week ago it announced the recall to active duty of 62,000 reserves, enlisted men, to report in September and October.

The Army did not say so, but presumably the officers being called up will help to fill the officer complements of National Guard and organized reserve units being summoned to active duty.

W.E. MILLER, 76, DIES THURSDAY

Walter Elmer Miller, 76, of 111 Pleasant street, New Oxford, died at his home Thursday evening following an illness of two years.

He was born in Maryland, a son of the late Hiram and Georgianna (Harbaugh) Miller. For the last 42 years he resided in the New Oxford area. He was a member of St. Paul's Evangelical Reformed church, New Oxford, and was a foreman for the Western Maryland railroad for 50 years.

Surviving are his widow, the former Gertrude V. Staub; three sons, Harry M. Lebanon; Howlen V. Hanover, and Curtis W., New Oxford; two daughters, Mrs. Agnes Newton, Rochester, N. Y., and Mrs. John Bowen, Littlestown R. D., and five grandchildren.

Funeral services Sunday at 2 p.m. from the Fred Feiser funeral home, New Oxford, conducted by his pastor, the Rev. Archie Rohrbach, Interment in the New Oxford cemetery. Friends may call at the funeral home Saturday evening after 7 o'clock.

SESQUI "KOURT" TO BE RESUMED HERE SATURDAY

The "Kangaroo Kourt" will be in session again Saturday.

Adams county's Sesquicentennial committee today announced that the second session of the "Kourt" will be held Saturday on Lincoln Square, with the Keystone Kops scheduled to put anyone in the "hoose-gow" who is not attired in a "Sesqui-hat," or, if male, not wearing a "shaver's permit" or a "Brother of the Brush" insignia.

With a "radio broadcaster" announcing the results of the "Kourt's Findings" over the loudspeaker at the Sesqui booth on the square last Saturday, a large audience found the proceedings highly amusing.

"Dollar Day Special"

Those without the insignia or hats are corralled into the "pokey" constructed of lumber, located in front of the Sesqui booth, by the "Kops." They then are brought before the judge for sentences varying on how well the judge knows the individual. One restaurant owner last week was fined "fifty cents for a brother of the brush" sign, a cigar for the judge and soft drinks for the cops." One young lady well known to the judge was fined "35 cents for a Sesqui-hat and a kiss for the judge" much to the delight of the spectators.

Some were fined to buy "wooden nickels," tickets for the Sesqui pageant "Freedom's Frontiers," or Robin Hood hats.

John "Buck" Stahl and George A. Albee are completing arrangements for the court. The two were in charge of the event last week. As a special "Dollar Day" bargain, (the same bargain still holds good on the other days as well) the Sesqui booth will have for sale three \$1 tickets for the spectacle "Freedom's Frontiers" at a price of only \$2.

Car bumper strips to advertise the Sesqui are available free of charge both at the Sesqui headquarters in the court house and at the Sesqui booth.

New Issues Of "Nickels" Out

As the three final issues of Adams county's Sesqui "wooden nickels" were released today, Sesqui headquarters announced that about 2,000 of the cardboard-thin wooden pieces are already in circulation.

On one of the issues appears a reproduction of the Eternal Light Peace Memorial and the two others carry "old fashioned" scenes as their special design. The first issue bears the official Sesqui seal and the second series has a bust of Lincoln on its face.

The nickels are available at Sesqui headquarters in the court house and at the Sesqui booth in Lincoln Square. The demand for the nickels is due in part to the desire of many persons to collect a complete set of the five series as Sesqui souvenirs or mail them to friends as souvenirs of Adams county's celebration.

Meanwhile orders are coming in from coin, stamp and "wooden nickel" collectors in many parts of the country for the Adams county series. Orders already have been handled from the International Money club of Bronx, N. Y., and collectors in New York City, Detroit and Annamora, Iowa, while the Numismatic Scrap Book magazine of Chicago has listed the Adams county issue in its wooden money column.

The "nickels" are exchangeable in trade at any store in Adams county and redeemable at 5 cents each at any bank in the county up to noon on September 20.

Harold H. Reuning is "wooden nickel" chairman.

Blame Heavy Rain For Accident Here

The brief, driving rain Thursday afternoon was credited by borough police with causing an auto accident at 3:30 o'clock at the intersection of Chambersburg street and Buford and Springs avenues.

Police said that a car driven by Sebastian R. Hafer, Carlisle street, skidded across Buford avenue into a car operated by Mrs. John S. Rice, West Broadway.

According to the report, Mrs. Rice had halted for the traffic light while Hafer was attempting to make the curve into Buford avenue. Damage was estimated at \$375.

By RUSSELL BRINES

Tokyo, Saturday, Aug. 12 (AP)—Red troops last night seized the important port of Pohang on the east coast and fought virtually to the edge of the U.S. airbase to the southeast.

The Eighth Army, announcing the fall of Pohang, said the city was in flames as Americans withdrew after a savage night battle. Pohang is 65 air miles north of the main U.S. supply port of Pusan.

Small U.S. forces battled in the early morning darkness to save the air field, which is on a spot about six miles southeast of Pohang.

U.S. tanks and more infantry were rushing up to the rescue of the air field.

Pohang, second only to Pusan itself as a supply port, fell to a surprise Red drive through undefended mountains while the Americans were rolling back the enemy on the extreme southern end of the Korean front.

Bridgeheads Gone

General MacArthur's headquarters meanwhile announced that all Communist bridgeheads but one across the Nakdong river on the western front had been erased by American units.

But this one is important. It is a big one in the Changnyong area, 29 miles southwest of the frontline supply base of Taegu.

Here about 6,000 of the enemy, with artillery fire support from across the river, are trying to break out eastward. If they make it they will cut off Taegu from Pusan, 55 miles to the southwest.

The headquarters summary said heavy fighting was continuing in this area.

Trapped Troops Desperate

The Nakdong bridgeheads wiped out apparently were those on the U.S. First Cavalry division front about 12 miles northwest of Taegu. On the southern front, approximately 1,000 enemy troops battled in a desperate attempt to break out of a trap in the coastal hills southwest of Chinju and about 45 miles or so west of Pusan.

Marines completed the capture of Kosong, south coast port of 50,000 population 20 miles southeast of Chinju.

The situation was grave on the eastern part of the front in the Pohang area.

Planes Leave Field

A spokesman at Eighth army headquarters in Korea announced the fall of Pohang. He said that by 10 p.m. Friday (7 a.m. Friday, Eastern Standard Time) there were no friendly troops inside the city.

Associated Press correspondent Hal Boyle at the front said the air strip to the southeast was fighting for its life. The Communists brought up artillery within range.

Fighter planes blasted the attacking enemy with rockets and machinegun fire. The fighters left the airfield for safety elsewhere through the night. Boyle said Red guerrillas were only a mile and a half from the field.

Reinforcements Coming

A reinforcing column of U.S. tanks and South Korean troops was reported nearing the field and ready to join the defense.

CONTROLS BILL NOW IN SENATE

Washington, Aug. 11 (AP)—A sweeping House-approved grant of authority for President Truman to invoke wage-price-rationing controls moved today to the Senate, where Democratic leaders predicted defeat for efforts by some Republicans to whittle it down.

Administration leaders expressed confidence that the Senate next week will pass substantially the same kind of home front mobilization bill the House did yesterday by a routing 383 to 12 vote.

The House bill would give Mr. Truman a free hand to put wage-price controls and rationing into effect whenever he saw fit. The President did not ask for those anti-inflation powers, but he said he would be glad to get them without strings.

Mr. Truman declared only yesterday, however, that the time for use of such all-out mobilization authority was not yet in sight.

The House bill also authorizes other economic controls which the President did request. These include allocation of scarce industrial materials, priority for defense contracts, and authority to requisition materials and to take over privately owned plants, if necessary.

Red Troops

(Continued from Page 1)
mental combat team occupied high ground immediately east of the city Friday afternoon. The 8th Army communique released in mid-evening Friday said this "successfully completed" the 35th's "phase of the first major U. N. counter-offensive in the Korean war."

On the extreme southern flank of the offensive, the 5th Marine regiment occupied the town of Kosong "against strong enemy resistance." Marine patrols had moved into the town Thursday. But inland on the central front, the Communists put thousands of troops over the Nakdong river.

Things Of The Soil

TASKS WITH AN AUGUST "MUST"

In approximate chronological order of their occurrence, the chief farm, orchard, garden and lawn tasks of August are:

Plant Oriental poppy roots or start new plants from cuttings or divisions of old roots.

Plant carrots in mellow, fertile loams for an ample late crop for fall table use and burial for all-winter requirements.

Spray cherry trees soon after fruit is harvested using lime-sulphur at the rate of 1 part concentrate with 40 parts water or one of the new wettable sulphurs according to directions.

Make a final planting of garden beets, also snap beans for late fall use, canning and drying.

Well rooted strawberry runners or special nursery plants may be set out any time this month for starting a small garden bed for home use. Established strawberry plantings should receive a side dressing of nitrogenous fertilizer, preferably nitrate of soda, later in the month.

Keep all weeds and grass removed from onion fields and beds so the bulbs will mature fully. Invading plants keep the ground surface moist with shade, thereby leading to what is known in commercial onion growing circles as "soft necks." These are the main causes of heavy storage rots.

Cut off seed stalks whenever they appear in rhubarb clumps.

Gather prematurely dropped apples and destroy them or feed them to hogs in order to reduce insect dangers next year.

Most evergreens may be safely planted in late August, providing they are kept adequately supplied with moisture until winter.

Spare time in August can be profitably used for making needed repairs to poultry and hog houses, stables and other buildings where livestock must spend the winter. It is always wise to remember that insulation is less costly than grain feeds.

Put cyclamen bulbs to have indoor blooms for early winter.

Order peony roots or locate local sources of supply for planting around the middle of September. Write the editor, enclosing a self-addressed stamped envelope, for a free copy of our simple peony planting and care instructions.

Prevent all annual and perennial weeds from maturing their seed. Cut and place all immature weeds on the compost heap or turn them under at once to improve shallow and hard soils.

Attend county agricultural fairs. In this era of unjustifiable emphasis on things urban it is refreshing to see the luxurious evidences that an intelligent and industrious minority of our people still live on the land and provide us with life's necessities.

Sow winter rye for cover crop purposes. In most cases this may be grazed lightly in late fall and then allowed to make heavy top growth in early spring to plow under for soil improvement.

If former experiences or present activities leave any unsolved lawn, garden, and farm problems and un-

The Rev. Charles E. Roth will officiate. Interment in Hains Church cemetery, Wernersville.

NOT TO ASK UMT MEASURE NOW

Washington, Aug. 11 (AP)—President Truman will not seek passage of a universal military training bill at this session of Congress, the White House said today.

Presidential Secretary Charles G. Ross said that the President is as strong as ever for such a measure, but feels that pressure for it at this time might interfere with other vitally needed legislation related to Korean war needs.

Even if the President wanted UMT now, key members of Congress were saying it would cost too much, in money and manpower, especially when piled on top of other growing defense costs.

Ross gave Mr. Truman's views at a news conference when told about reports of an administration drive for passage of a UMT bill.

A Defense department spokesman told Senators yesterday the department is drafting a UMT bill and will send it to Congress soon.

Commenting on this development, Ross told reporters the President is not going to propose UMT at this session even though he is as strongly for it as ever. He said Mr. Truman does not want to do anything that would interfere with other vitally needed action for prosecuting of the Korean war and the arming of America's Allies.

Issues Warning On Unsanitary Pens

Borough Health Officer Eugene Sickles today announced plans to "crack down" on those who fail to keep dogs, rabbits, or chicken pens clean within the borough.

A survey with two made starting next week, Sickles said, and those found in violation will be prosecuted under Public Law 1621 of Pennsylvania providing penalties for creating a public or private nuisance detrimental to the public health.

Sickles said that the "drive" to clean up the pens was ordered by the borough board of health because of a large number of complaints received from residents concerning the unsanitary and unhealthful condition of a number of dog pens, rabbit pens and chicken houses in the borough.

The fine for those guilty of maintaining unsanitary and unclean pens can be as high as \$50 under the law, he said.

BANK RESOURCES UP

Harrisburg, Aug. 11 (AP)—Resources of Pennsylvania's 352 state banks increased by more than \$252,800,000 in the year ending last June 30, the state Banking Department reported today. Secretary D. Emmert Brumbach said total resources of state banks totaled \$5,212,733,314 compared to \$4,942,619,450 on June 30, 1949.

WM. ASHE DIES

Pittsburgh, Aug. 11 (AP)—William F. Ashe, 70, retired commissioner in the U. S. Conciliation service, died yesterday at his Gibsonia, Pa., home. An industrial relations director for 20 years before joining the conciliation service, he retired from the government post last March. He had served in many major strikes and labor disputes during World War II days.

Final Games Tonight

Tonight the regular Softball league season comes to a close and while the games will not have any bearing on the four playoff teams, they are important to decide final standings for teams involved. In the opener the Eagles will be battling to escape the cellar when they engage the Glenn L. Bream garage team while the VFW and Stanton Legion, deadlocked at present, will scrap it out for fifth place in the second game.

In Thursday's opening game the Stanton Legion rallied in the last two innings to nose out the Moose 6-4. The Moose held a 4-3 lead going into the sixth but a walk to Penn and safeties by Howard and Timbers produced a pair of runs while in the seventh the Legionnaires added a security run. Dorm homered for the Stanton boys in the third.

The Lentz Legion scored five times in the fifth inning, seven in the sixth and two in the seventh to down the Eagles 14-6 in the nightcap and pulled into seventh place while pushing the Eagles to the cellar. Smith, Hottle and Sterner homered for the winners with Warner getting four hits. Rush and Olsen each rapped out two hits for the Eagles.

Pittsburgh, Aug. 11 (AP)—New Castle was eliminated from the Pennsylvania tournament of the National Baseball Congress last night as it lost a 3-2 decision to the Derry All Stars.

The Derry nine rallied for three runs in the sixth inning of the seven inning contest. It was New Castle's second loss of the tourney.

In another game, Whitaker chalked up his third straight win by beating Hanover 5-3. Hanover previously had won two straight but Whitaker got away to a four-run lead in the first inning and was never headed.

Philadelphia, Aug. 11 (AP)—Young athletes who hope to make the grade in professional baseball will compete today in the seventh annual Eastern Pennsylvania American Junior Baseball All Star game at Shibe Park.

To those who shine most brilliantly will go coveted positions on the state's All-East team.

And among the spectators, to size up the skill of the youngsters will be numerous talent scouts from the major leagues.

LOCAL BASEBALL SQUADS FACING DOUBLEHEADERS

Gettysburg teams in two local baseball leagues face double-bills this week-end.

Don Emert's Mason-Dixon league team is scheduled to play a double-header at New Windsor Saturday, one game being a makeup of a postponed contest.

The Gettysburg team of the South Penn circuit will play a regularly scheduled game at Green Springs Sunday while a protested game of May 21 will be finished at a point from the seventh inning. The locals had won the previous game 4-2.

The complete list of games, many of which will play important roles in the rapidly closing regular seasons, include the following:

Eastern League

The Albany Senators got hit instead of hits last night and defeated the Utica Blue Sox, 9-3. The win narrowed Utica's four-place margin in the Eastern league to half a game over the Senators. Bob Kowalski, second of three Utica hurlers in the Albany game, hit three batters.

Relief pitching by Red Murray and John Masuga saved league-leading Wilkes-Barre from a third loss to visiting Williamsport. The 3-1 victory was credited to Jose Santiago, who was sent to the showers in the seventh with the bases loaded and one run across.

The Hartford Chiefs swamped the Binghamton Triplets, 10-4, while Scranton edged Elmira, 4-3.

JIM KONSTANTY HERO AS PHILS DEFEAT GIANTS

By JACK HAND
(Associated Press Sports Writer)

Jim Konstanty, the Phils' rubber armed reliever, looks like the most important single factor in the National league race. As long as Jim holds up, the Phils should ride high. Soldier Curt Simmons is supposed to continue the job of cooling off the sizzling New York Giants tonight. Chances are Konstanty will be in the final box score.

When Konstanty replaced bonus Bob Miller in the eighth inning of last night's 6-5 win over the Giants, he made his 51st appearance of the season. The Phils have played 108 games. It hardly seems possible that Jim missed 57.

Singles by Gran Hamner and Andy Seminick and a game-losing throwing error by center fielder Bobby Thomson gave Konstanty his ninth victory in the 10th inning of last night's struggle. More important, it boosted the Phils lead to six games over Boston.

The important Brooklyn-Boston series opened with a win for the Dodgers, 4-3. Consecutive homers by Gil Hodges and Roy Campanella in the fourth aided the cause. The win slipped Brooklyn into third place, three percentage points ahead of the St. Louis.

Jorda Clears Bench

Umpire Lou Jorda cleared the Boston bench in the fourth after the Braves protested his call on a pitch to Hodges. The ump chased Manager Billy Southworth and Gene Mauch first. Then he ordered all but two coaches, trainer and the batboy from the bench.

Hodges' stab of Sam Jethroe's line started a game-ending double play that ruined a ninth-inning Boston threat. Earlier Jethroe hit his 12th homer. Campanella's homer, No. 23, tied the Dodger club record for righthanded batters.

Preacher Roe, knocked out in the eighth, saved his 15th win while Johnny Cain, going the route, suffered his eighth loss. He's won 16.

Pittsburgh broke a 10-game losing streak by blasting Chicago, 7-4. Ralph Kiner, Wally Westlake and Clyde McCullough hit homers in the four-run fourth as the Cubs dropped into a seventh-place tie with the Cincinnati. Kiner's homer was his 31st of the year.

18th For Lemon

Picking on the second division clubs proved risky business in the American league yesterday. Only Cleveland, a 5-4 winner over St. Louis, got away with it. The Tribe

Batting: Gran Hamner, Phillies—drove home four runs with homer and two singles and scored winning run in 10th inning on Bobby Thomson's wild throw for 6-5 edge over Giants.

Pitching: Bob Lemon, Indians—won 18th game by whipping St. Louis and led Tribe attack with two doubles in 5-4 victory.

LOCAL TEAM IN YORK TOURNEY

York, Pa., Aug. 11 (AP)—Fourteen midget baseball teams open competition today for top honors in the Mason-Dixon invitational midget baseball tournament.

The participating teams represent three states, Maryland, Virginia and Pennsylvania, and include some 180 youthful baseball players.

Seven games are listed on today's schedule with the semi-finals tomorrow afternoon and the finals tomorrow night.

All teams will play at least two games in the single-elimination tournament although only winners will move upward in tournament play. Regular baseball rules are followed in the tourney except that the base paths are 75 feet long and the pitching distance is 50 feet.

The tournament is sponsored by the Baseball for Boys Association of York. The championship trophy will be presented by Vic Wertz, Detroit Tiger outfielder.

Teams competing in the tournament include:

Falls Church, Va.; Mt. Ranier and Greenbelt, Md.; Gettysburg, Manheim, Kulpmont, Duquesne, Allentown, Oxford, Midgets of Philadelphia, Lehigh, Tamaqua, Williamsport, York and either Dallastown or Shiloh.

squeezed home with Bob Lemon hitting two doubles to back up his 18th victory.

Detroit added a half game to its lead, now measuring 3½. Cleveland, not New York, now is in second place. But the Tigers missed a chance. After whipping Chicago, 10-6, they were held to a 1-1 tie in the second game, called by darkness in the seventh inning.

Philadelphia dropped New York into third place by a 5-3 win in their series opener. Alex Kellner copped his seventh win with help from Lou Brissie in the ninth.

Boston ran into trouble with fifth-place Washington. The Senators came up with eight runs in the second inning to win the opener for Bob Kuzava, 11-2, but the Red Sox took the second game, 4-3.

EAGLES AND ALL STAR GRID TILT ON TV, RADIO

Chicago, Aug. 11 (AP)—The Philadelphia Eagles, national football league champions for the last two years, and the College All-Stars, representing the nation's top college players, meet in Soldier Field tonight in the season's first major grid game.

The powerful Eagles, 38-0 winners over last year's group of All-Stars, were 14½ point favorites over this year's collegians in the 17th annual game between the professional champions and all-stars.

Cool and cloudy weather was in prospect for the some 90,000 fans expected for the grid spectacle at the huge lake front stadium. Temperatures in the 60's were forecast at kickoff time, 8:30 p.m. The game will be broadcast and televised.

The pro champions have won nine and tied two of the 16 previous games. The All-Stars' last win was in 1947, a 16-0 victory over the Chicago Bears. They haven't scored a point in the last two games, blanked 28-0 by the Chicago Cardinals in 1948 and 38-0 last year by the Eagles.

But this year's All-Star squad has been ranked as probably the best ever assembled. Dr. Eddie Anderson of Holy Cross, head coach of the All-Stars, and his staff have worked this year's group of collegians to the limit, but there have been few injuries. Emil Sitko, Notre Dame's 1949 fullback, may be the only All-Star kept out of the game.

Sitko has not recovered from a pulled muscle.

Interstate League

(By The Associated Press)

The Wilmington Blue Rocks are going to be hard to catch in the Interstate league pennant race as long as they continue to get pitching like the seven-hitter turned in last night by Leo Cristante.

Cristante chalked up his 13th win of the season against five defeats by turning back the Allentown Cardinals 6-0. The win kept the Rocks six and a half games in front of the runnerup Harrisburg Senators.

Harrisburg's Senators continued their sizzling pace by downing the York White Roses 14-3, scoring nine runs in the first inning. The Lancaster Red Roses upset the third place Trenton Giants 5-2. Don Hall, Lancaster righthander, registered his 11th win of the campaign. He has lost seven.

The Hagerstown Braves edged the Sunbury Athletics 2-1. Losing Pitcher Even Bryden gave up only five hits while Winner Howie Anderson allowed 11.

Hitler Says Nazis Will Smash Foes if They Try to Fight: Berlin, Aug. 12 (AP)—Reichsfuhrer Adolf Hitler warned all opponents of national socialism Sunday night that Nazis will "smash them utterly."

He addressed a cheering crowd at Rosenheim, where he motored to attend celebrations of the 15th anniversary of the local Nazi organization.

Elsewhere in the Reich Jews were turned away from summer resorts. At Munich a united group of neighboring student trooper organizations paraded the streets in 500 trucks, flaunting streamers denouncing Jews and referring to Catholic devils (foreign exchange) smugglers.

The Reichsfuhrer was welcomed by Adolf Wagner, Bavarian minister of the interior. He was warmly applauded as he began his address.

Today's Talk

By GEORGE MATTHEW ADAMS

FOOD
Is there a single subject, in all the realm of fact and fiction, that so hovers forever about us, as does the one of food? We think of it methodically. Even when we think we do not need it some urge or person is sure to remind us, and out for food we go!

The wise dietitians, and many a health doctor, repeatedly advise us, and tell us we all eat too much, especially the worker in the city at his desk or bench. And what a variety of foods to select from, and how many of them are disguised from their early birth! At all eating places you are almost sure to find some sort of meat on the menu, yet many of the world's most famous and outstanding athletes have never tasted meat. And there is the forever youthful George Bernard Shaw, climbing toward a hundred in age, who thrives on daily dishes of vegetables.

Charles Lamb once wrote of a man who said that "one cannot have a pure mind who refuses apple-dumplings!" Even Lamb confessed that he grew weary of mere vegetables, though he did say: "Only I stick to asparagus, which still seems to inspire gentle thoughts."

The owner of a pet dog or a highly touted race horse doesn't do any fooling about the sort of food that he furnishes it. It's the most carefully selected and balanced to a T. But he will pay little attention to his own eating habits. There is no subject upon which so many people are ignorant as the sort of food that their bodies need and ought to have. The right food for many would revolutionize their lives.

I asked a friend recently, as we viewed his fine looking dog, how many times a day he fed it, and he said, "Only once." I recall that I lived one entire year, when a student in college, upon one meal a day—not through choice, however—yet I seemed none the worse for it and thrived quite well indeed.

Not only should we learn what kind of food is best for us, but how much of it we ought to have. We ought to be smart enough to decide—but how few are, or have the will to so order? The fit and alert eat little—and intelligently—and live long!

Tomorrow Mr. Adams will talk on the subject: "Earth."

MAN AND BOY

I hope no boy will see in me
What in a man no boy should see.
Or hear from me, at home or play,
The speech no grown-up man should say.

I hope I never shall destroy
The admiration of a boy.
Or ever let him learn from me
How small and weak a man can be.

Boy's pride in men I'd like to keep
By never being mean or cheap.
I'd hate to think I was the first
To show him manhood at its worst.

Growers from Five Counties Tour Orchards: More than 340 fruit growers participated in the annual tour of visiting orchardists through Adams county's famed fruit belt on Tuesday.

The Franklin county delegation, the largest on the tour, was met at Caledonia Park Tuesday morning by a welcoming delegation of Adams county growers.

Following a basket lunch at Ardentville Union Park, a program was given. H. M. Weigle, president of the county association, presided and delivered a welcoming address.

Addresses were given by Roy Hafer, Dr. R. S. Kirby, H. E. Hodkiss, Dr. S. W. Frost, J. H. Knode and Miles Horst.

Wed in Chapel: Norman Rager, son of Mrs. Emma B. Rager, Gettysburg, and Winifred M. Groft, daughter of Mr. and Mrs. Charles P. Groft, Conewago township, were married August 3. The ceremony was performed at Conewago chapel. The Rev. J. F. O'Donnell officiated.

Personal Mention: Miss Lindora Roddy and Miss Dorothy Gilbert are vacationing at Atlantic City. Miss Roberta Deardorff and Miss Emma Ulrich have returned from a southern trip.

John Brehm spent the week-end at Laurel Dam with Ted Thomas, William Stock and Robert Williams, who are camping there.

BRITON TO HELP COUNTER USSR UN STALEMATE

Lake Success, Aug. 11 (AP)—Britain's Sir Gladwyn Jebb was slated to pick up the oratorical ball today in Western attempts to counter the Russian-imposed stalemate on Security Council consideration of the Korean question.

With the West unable to persuade Russian President Jakob A. Malik in both private and public meetings yesterday to lift his blockade, the Council went into the second meeting (at 2 p.m., EST) of a campaign to out-talk Malik.

Jebb headed the speaker's list for today. The word war was opened yesterday by U. S. Delegate Warren Austin with a 3,000-word, gloves-off attack. It likened the Russian-backed North Korean government to a "zombie government" and blamed the Soviet Union for the North Koreans' attack on the U.N.-sponsored South Korean regime.

Will Answer Austin
Malik announced yesterday he would answer Austin's biting charges at length. He was expected to wind up today's meeting with his speech, to give it wide circulation—without an immediate answer—during the week-end recess.

Austin charged that the North Koreans were using Russian-made tanks and guns. Malik, replying briefly, acknowledged the Soviet Union had furnished supplies to the North Koreans, but asserted these were all sold to them before Russian occupation troops withdrew from Korea in 1948.

Malik termed Austin's charges "slanderous statements and hints." Malik also said that other delegates had failed to shake his views in a closed meeting that preceded the open session.

Austin Speaks Out
Later he said flatly, to a protest by the U. S. and Cuba, that he would not rule on the right of the South Korean representative to sit in the meeting. His statement left the Council still in the procedural tangle which has blocked further decisive action on the Korean question since he became Council president August 1.

Russia, Austin said, has the power to call off the North Korean invaders and stop the bombing and bloodshed. Instead, he charged, Russia is supporting the North Korean regime in the Security Council and is the only great power refusing to denounce the North Korean aggression. "One has only to ask whose planes, whose tanks and whose training have made it possible for the North Koreans to defy the U.N.," Austin said.

Malik's previous proposal for a cease fire and withdrawal of U.N. troops, Austin asserted, "would send the U.N. police away and leave the bandits to plunder Korea at will."

CATTLE—Both today's fresh cattle receipts and the number held from the week totaled larger than the comparable counts of a week ago today. The fresh run estimated at 800 was largest for a Thursday in three weeks and brought the week to date count up to 3,100 head.

To mark an increase of 10 per cent over the number marketed the first 4 days of last week. The volume however was still around 20 per cent smaller than the movement for the corresponding week a year ago.

Salable receipts included the equivalent of 23 loads slaughter steers which consisted mainly of over 1,000-lb. grainfed on the grass offerings. Also on sale was the equivalent of 6 loads stock cattle. Balance of the run consisted mainly of cows and bulls with about a normal supply of heifers included.

Trading in the slaughter steer department was dull and very drags through-out the morning. Buyers either refused to bid or bid sharply lower in most instances and many loads were still in first hands at 1 p.m. Sales made during the morning were generally around 25-35c lower compared with earlier in the week. A small lot of low-medium grade dry-fed steers, yearlings cashed at \$27.50; most of the small number of medium and good grainfed on grass offerings that were sold fell in the 916-1,340-lb. weight bracket and cleared at \$27.50-28. A small lot brought \$28.75.

Heifer prices showed little net change compared with last Monday. Odd head good heifers sold upward to \$28.50 but most of the small supply consisted of common and medium grades that sold at a price range of \$20-25.15; some medium and good offerings scored \$26.65.

Dealings in the cow department were rather slow and very uneven but prices for the most part were about in line with those of earlier in the week. Canner cows showed small largely at \$21-24; common and medium, \$18.50-21; canners and cutters, \$15-18.50; odd shelly canners down to \$13 or under.

Prices for bulls also held mostly steady. No beef bulls were noted and no outstanding sausage offerings were on hand. Bulk of the good sausage bulls brought \$23-24.50; common and medium, \$19-23 with bulk lightweight, dairybred offerings mainly \$19-21.50.

Trading in the stock cattle section was slow but prices held about steady with earlier in the week. A few odd head high-

good and choice, 240-260-lb., stock calves brought \$29-31. Most of the medium and good, 888-1,036-lb., feeders, \$25.25-27.75; some common and medium, 596-865-lb., averages \$24.25-34.60.

Compared last Thursday—Few lots of dry-fed cattle and under 1,000-lb., grainfed on grass and grass fat offerings around 50c lower; others mostly \$1 off; heifers, cows and bulls generally unchanged, stock cattle steady to 50c lower, most decline on medium and good.

CAVES—Vealers and slaughter calves met a fairly active trade at generally steady prices. Good and choice vealers and slaughter calves around 250 lbs. and less bulked at \$29-33.50, top \$33.50. All weights of common and medium grades ranged \$21-28; culls, \$15-21.

Compared last Thursday—All weights and grades mostly steady.

HOGS—Dealings in the hog department were very slow and drags for the second consecutive day. Barrows and gilts slaughtered under 150 lbs. were largely the lower than yesterday's early trade of 50c under the close. Lighter weights cleared on an unevenly 25-75c lower basis and sows held unchanged. Late sales of under 150-lb. weights, showed the least change. A few small lots of mostly choice around 200-lb. barrows and gilts topped the day's trade at \$24.50; good and choice, 180-220-lb., averages cleared at \$24 to largely \$24.25-22.25; 240 lbs., \$23.25-23.75; 240-260 lbs., \$22.75-23.25; 260-300 lbs., \$21.50-22; heavier weights, \$21.25 down depending on weight and condition. Lighter offerings in the 120-140-lb. bracket scored \$20-20.75, bulk \$20.25 up, 140-160 lbs., mostly \$21.25-21.75, a few \$21; 160-180 lbs., \$22.25-23.25, mostly \$22.50 up. Sows selling around \$20 lbs. and less, mostly \$19.25-19.50; good, 400-450 lbs., \$18-18.50; heavier weights, \$17.50 down according to weight and condition. Stags were marked \$3 under the price of the same weight sows and garbage fed hogs sold \$2 under the price of the same

weight grainfed.

Compared last Thursday—Barrows and gilts, 150 lbs. and heavier largely \$1 lower; lighter weights, 25-75c lower; sows mostly steady.

SHEEP—Hardly enough lambs or ewes were on offer to permit an accurate comparison of prices. Quotations were nominally unchanged for both classes. A few mixed lots of medium to choice, 71-08-lb., spring lambs cleared at \$27-28.50 with the latter price paid for good and choice, 75-lb. averages. Choice lambs were quoted \$7; choice around 125-lb. and lighter weights were quoted \$7-8.10 or better. Compared last Thursday—Generally steady but top on short ewes \$1 higher.

DRAFT QUOTAS ARE MAILED TO LOCAL BOARDS

Harrisburg, Aug. 11 (AP)—First draft quotas since the Korean war were mailed today to local selective service boards.

Each of the 175 draft boards will know by Monday its portion of the 3,503 men to be inducted into the Armed Forces up to September 30, said Henry M. Gross, State Selective Service director.

Actual inductions begin August 28. Prospective draftees, however, started to receive notices this week that they passed physical examinations and were eligible for induction.

Individual board quotas will not be made known publicly until Monday, Gross said. By that time they will be in the hands of board chairmen.

May Used Indiantown Gap
More than 4,000 boys, mostly from 22 to 25 years old, received notices of physical examinations in the past three weeks. Of the 3,164 who actually reported for the tests, a total of 1,285 was accepted as of last Monday.

Gross said the cases of 382 men who did not appear for the physical examinations have been referred to the Justice Department for prosecution.

A breakdown of others who didn't appear indicated that most of them had their cases reconsidered on the basis of marital or veterans' status or moving to the jurisdiction of other draft boards.

Has Credit Of 650
Gross said there was no definite word as yet as to where the inductees will report for their reception into the service. He mentioned, however, that the nearby Indiantown Gap Military Reservation is under consideration.

Pennsylvania's draft boards are also enjoying a credit of about 650 men as a result of enlistments or other types of service entries. Gross indicated that the Keystone state's September draft quota would have exceeded 4,000 if the enlistment credit had not been set up.

Pennsylvania's October quota is 3,493.

House Will Add 56 Contempt Citations

All are accused of refusing to answer questions which the committee called pertinent to its investigation of communism. These included

Giant Smokestack Blocks Penns Lines

Philadelphia, Aug. 11 (AP)—A giant steel smokestack fell across the Pennsylvania railroad's four track main line at suburban Ardmore yesterday, stalling the movement of trains for several hours.

The accident occurred late in the afternoon shortly before the peak period of commuter traffic. Hundreds of city to suburbs travelers were obliged to get home by other means.

The smokestack, which got away from a rigging crew, also ripped out transmission wires, thus cutting off power along the right of way between Bryn Mawr and Ardmore.

The 100 foot stack was being rigged atop a boiler room at the Auto-car plant.

GE Offers \$125 As Monthly Pension
New York, Aug. 11 (AP)—The General Electric company has offered a \$125 minimum monthly pension to full-time workers reaching normal retirement age after 25 years of service.

The company's plan calls for contributions by the employees and the sum would include social security benefits.

GE outlined its pension proposal in letters to the two major unions representing its 160,000 employees—the CIO International Union of Electrical Workers (IUE) and the Independent United Electrical Workers (IUE).

Stressing that the proposed \$125 pension was a minimum, the company added that the amount would increase as "pay and length of service go up."

GOLF WALKOUT IS AVERTED IN CHICAGO PLAY

Chicago, Aug. 11 (AP)—Rumblings of a walkout in the Tam O'Shanter golf tourney had subsided today among some of the big shot pros who, after second thought, decided against shunning \$49,000 in prize money.

A sundown rain storm yesterday caught Bobby Locke, Jack Burke, Jr., Jimmy Demaret and Cary Middlecoff among those still on the course.

Promoter George S. May ruled that all scores earlier posted in the first round of his "world" golf championship be canceled in accordance with his printed regulations governing play.

It was Jimmy Demaret, even par through 15 holes before the storm struck, who attempted to act as spokesman.

Demaret thought it all was unfair to the other boys who had finished their rounds. Promoter May told him if he didn't like it he could withdraw.

"I wouldn't play in the Tam if a million dollars was the prize," said Demaret later.

He soon found, however, that although some colleagues agreed with him, they would not be stamped out of the meet. The sum of \$49,000, after all, is the biggest golf pot offered.

So, after a flurry of words in the lockerroom, everything apparently ended in a calm and Demaret was expected to remain among those present.

Sunday School Lesson

EZRA, INTERPRETER OF GOD'S WORD

Nehemiah 8:1-4a, 5-6, 8, 10-18
Memory selection: This day is holy unto our Lord; neither be ye grieved; for the joy of the Lord is your strength. Nehemiah 8:10.

This week's lesson affords a striking illustration that material reconstruction is not in itself sufficient in

the rebuilding of a nation. Nehemiah, statesman and engineer, had done a remarkable work in restoring the walls and other structures in Jerusalem. From captivity in Babylon he had come and, with the willing cooperation of faithful Hebrews still living in the homeland, the task had been accomplished in spite of the opposition of mocking pagan tribes.

But this was not enough. Another great leader had a task to perform. That man was Ezra the scribe, well versed in a knowledge of the Law—God's law—for his people. Together with others who, like himself, had remained true to the faith of the Hebrews, Ezra looked forward to the time when true worship would be restored in a rebuilt Jerusalem. This hope and expectation made captivity in Babylon at least endurable. The sacred writings of the prophets and law-givers were reviewed and carefully codified.

A favorable turn in events came to the captive Hebrews when King Cyrus of Persia conquered Babylon. This new master was willing to have Ezra and his associates return to

their native land. He even gave them assistance. So, after a long and laborious trek, the Holy City was reached. The two leaders, Nehemiah the builder and Ezra the scribe, planned for the complete rehabilitation of their people.

Reading The Law
There was a dramatic moment when "all the people" gathered in a public place and requested Ezra to read them the Law of Moses. We may assume that Ezra employed good judgment in waiting for this request to come from the people themselves. Good psychology, we may call it. Also, it may be noted that, in spite of the long period during which the Law had been neglected, there still remained a popular

desire for the faith of their fathers. From a high pulpit erected for the purpose Ezra read from the sacred writings to men, women and children. And there were assistants, the Levites and others, who helped in interpreting what was read. Note that the "people stood" during the sessions of this ancient course of religious instruction which continued from early morning till noon. The response that followed would have rewarded any teacher of the Bible in our modern Church schools. As the people heard what the law required of them and realized how they had failed in their observance they were conscience smitten and "all the people wept." Here was true

Road of Harmony

This road leads to a picnic. It extends through a beautiful countryside, where the trees, meadows, and streams all contribute to the contentment and pleasure of this happy family.

But it leads further than the picnic site. It is the first few miles of a road that winds through the years of family harmony, love, and understanding. And it is over this road that children must travel if they are to grow into successful, happy adults.

For this is a picture of American youth in its proper setting—with loving parents, who have found enough time to enjoy their children and to devote their moments of leisure and recreation to them.

We need never worry about children such as these. They are taken to Church on Sundays, and are taught the principles of Christian living. They are cared for, loved, and respected.

Give your children the same opportunities to make the most of their lives. Start them on their way down the road to the fulfillment of a Christian life of service and security.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CROWN PRINCE TAKES OVER AS BELGIUM RULER

Brussels, Belgium, Aug. 11 (AP)—Crown Prince Baudouin today became ruler of all the Belgians in the place of his father, King Leopold III.

He took the oath as Prince Royal in Parliament, where several hours earlier the Senate and Chamber of Deputies in joint session had given final approval to the bill transferring Leopold's royal powers to his 19-year-old son. The final vote was 349 in favor with eight abstentions.

This was the final act in a royal drama that began with Leopold's banishment in 1945 for his action in surrendering to the invading German armies in World War Two.

His supporters, the Social Christians, waged a five-year struggle and brought him back last month. The Anti-Leopold Socialists unleashed a series of strikes and demonstrations which brought Belgium to the brink of civil war.

An uneasy calm was restored Aug. 1 when Leopold agreed to a slow-motion abdication under terms of which Baudouin would take over the actual powers today and become King in name also on his 21st birthday, September 7, 1951.

Since then, however, rabid supporters of Leopold have staged scattered demonstrations on his behalf. Recently many Belgian army officers have privately expressed disappointment over the change.

and with one exception that part of the program was carried out. The exception was the use of the county soil conservation district's M-99 powered grader which was called in to finish some of the ditches and terraces when rain threatened.

Spectators wandered about through the fields to watch the various activities going on as the Cannonball members handled 17 tractors, fitted with plows or discs to construct the terraces and ditches.

But the activities of one tractor and manure loader drew the biggest crowd of all—it pulled out a tree by the roots. The tractor moved up to the tree and the loader was fastened to the tree. Then followed a period of slowly applied pressures and releases. Finally the tree started to "give" and eventually came ripping out of the earth. There were cheers from the spectators.

When the rain hit, most of the tractor driving members headed for trees standing near where they were plowing or discing, with the hope they could continue afterward, while the spectators faded into cars. When it continued to rain and the earth turned to mud, most of the spectators in their cars, pulled out of the Helzel farm and the Cannonball members, soaked by the downpour, drove the tractors from the field, to end their activities of the day.

Taylor Defeated In Idaho Voting

Boise, Idaho, Aug. 11 (AP)—Just about everybody but Sen. Glen H. Taylor, had conceded today that Taylor had lost in his bid for re-nomination for the Idaho Democratic six-year Senate term.

The one-time singing cowboy who ran in the number two spot with Henry Wallace on the 1948 Progressive party ballot, was trailing his opponent, former Senator D. Worth Clark, by a consistent 1,000-plus votes.

With 816 of 839 precincts counted, the unofficial figures in Tuesday's primary stood at 26,786 for Clark, 25,630 for Taylor, and 14,544 for the third man, Rep. Compton I. White. White conceded to Clark yesterday. The remaining precincts are snags, isolated and are not expected to give Taylor any chance to catch up. The official count by the State canvass board will be Aug. 19.

repentance so the leaders Ezra, Nehemiah, the Levites and priests urged the people not to be overcome with regret, but to count it an occasion for rejoicing. They counseled: "This day is holy unto our Lord; neither be ye grieved; for the joy of the Lord is your strength."

Meaning For Our Day
As an event in the development of Hebrew history Ezra's reading and interpretation of God's law is important. But its chief value lies in its significant lessons for our day and way of life. We are dramatically informed that it is fundamental to know the law, that is—the will of God. Since the Bible is the source of this knowledge every seeker after God will study the Scriptures. Christian education in our day receives impetus and encouragement from Ezra's reading of the law.

Again, constant study of the sacred Scriptures is necessary in order that the truths found there may be fittingly applied to changing conditions of life. "New occasions teach new duties." Changed and changing circumstances call for new applications of old and fundamental moral and spiritual laws. There is need for continuous religious education. A good question to ask is whether our present day training in religion is adequate. We should frequently review both scope and methods so that education in the field of religion is as effective as our training in secular knowledge.

At least one of the results of Christian education is a broadening of interests resulting in a strengthening of character, so essential to effective, righteous living. "The joy of the Lord is your strength," said Ezra. To lead the youth and adult into the full enjoyment of God is the task of the home and the Church. This duty is the more readily accomplished since Christ came as our

ADMITS MURDER; BLAMES DRINK

Douglas, Ariz., Aug. 11 (AP)—A recently discharged railroad employee blamed excessive drinking today for his admitted brutal murder of 69-year-old Miss Ada C. Park in a Pullman berth.

The slaying occurred aboard the Southern Pacific's Golden State Limited near here early yesterday. A charge of first degree-slaying and assault has been filed against Harold T. Lantz who signed a confession.

Miss Park, who resided in Grinnell, Ia., had been visiting friends and relatives in Phoenix and California. She was strangled, examining doctors said, either before or after she was criminally attacked. The cartilage tissue in the victim's throat was completely broken, physicians added.

Shortly after the murder Lantz ran down the aisle of the train, shouting a woman had been killed. Sheriff I. V. Pruitt said Lantz first told Conductor Tom Bryan that another man had committed the murder. Later he admitted he was responsible for the killing. Pruitt said Lantz had no idea who the woman was.

Miss Park, a temperance worker and former teacher, was bitten and severely clawed on the neck. Scratches on his face indicated she had resisted the assault. Lantz

Washington, Aug. 11 (AP)—Senators Mundt (R.-S.D.) and Ferguson (R.-Mich.) joined forces with Senator McCarran (D.-Nev.) today in a contest with administration leaders to sponsor a proposed crackdown on Communists and subversives.

McCarran beat the administration to the gun yesterday by offering in the Senate a catch-all internal security bill he said carries out the recommendations President Truman made in a message to Congress Tuesday for tighter controls over foreign-trained saboteurs and spies.

SEES THREAT TO LIFE OF UN IN RUSS POLICIES

By DEWITT MACKENZIE

(AP Foreign Affairs Analyst)

Long continuance of Russia's obstructive tactics in the United Nations might have the ultimate result of breaking the peace organization wide open.

The two blocs—communism and democracy—then would go their separate ways. That would give the finishing touch to the two worlds which, in effect, we already have.

The present Soviet filibuster for propaganda purposes certainly adds nothing to world unity. On the contrary, it is emphasizing—as it is intended to do—the differences between the two ideological blocs.

School-Boy Stuff
Surely history has produced few other such astonishing exhibitions as daily have been revolving about Soviet delegate Jacob Malik while he has conducted his Kremlin-directed filibuster. This whole affair, involving as it does statements of international stature, would be absurd if it didn't have such grim potentialities.

The Malik tactics at first blush seem like school-boy stuff—and in a sense they are. Yet the manner in which they are employed by the shrewd Muscovite representative makes for the propaganda which Russia wants to spread throughout the world—and especially in Asia.

That propaganda is this: Imperialist United States and her Allies are seeking conquest in the Far East. A prime example is America's aggression against little North Korea which now is battling for its life. And the capitalists are plotting against other helpless peoples.

Well, we know such charges are pure bunk. The U.N. members know it's bunk, because they have charged North Korea with aggression and have called for U. N. nations to give military aid to the southern Koreans.

Seek to Impress Asiatics
Moreover, the Moscow allegations can't fool great Asiatic leaders like Prime Minister Nehru of India. As a matter of fact the Indian delegation in the U.N. has voted with the Western nations to try to spike Malik's maneuvers, and has been attending the parleys of the Western nations.

Still, while such leaders may not be misled, there are untold millions of Asiatic peoples who might be. They are the ones Moscow seeks to impress, and the great U.N. makes a wonderful sounding board for Malik. His bitter charges rebound and reach the ears of Asia through the Red leaders in the various countries.

Meantime, of course, Malik's tactics are hamstringing important activities of the peace organization. So the unbelievable fight continues—and none can say when or how it will end. Indications are, however, that non-Communist members will peel their gloves off and give Malik some two-fisted responses.

Sports Roundup

BY GAYLE TALBOT

New York, Aug. 11 (AP)—Every year at about this time, all the nation's top tennis figures grow more and more suspicious of their fellow men. The amateur star who is worth his salt feels that every man's hand is against him and that his chances of obtaining justice are very slight indeed.

The explanation is simple. It is Davis cup picking time. The tennis authorities are on the verge of naming a four-man team to defend the international trophy at Forest Hills the latter part of the month, and the players all know that the authorities are capricious, biased and just plain pig-headed.

"What's the use of trying?" more than one tiger of the courts has muttered to this writer. "They'll pick the guys they like to play bridge with."

Cochell Is Sore

The maddest player at the moment seems to be Earl Cochell, the scrappy little West coast player who wasn't even named on the squad of 11 players asked to try out.

Upper Adams Softball League

Bendersville piled up five runs in the opening frame against the Independents and went on to outslug its foe and win 14 to 6 in the final playoff game for the championship of the league Thursday evening on the Bendersville diamond.

The Independents pushed over a run in the first inning but were unable to score after that until the sixth frame. Short-lived rallies in the sixth and seventh innings cut down Bendersville's lead but were not enough to win. Bendersville scored in every inning except the fifth, forcing Crum from the mound in the fourth inning in favor of Brown.

Boys', Girls' Teams Play On Saturday

The strong Second Ward Athletic club of Steelton will meet the Softball league All-Stars on the Recreation field Saturday evening at 8:30 o'clock.

As a preliminary affair the Gettysburg girls will engage the Mechanicsburg Depot team at 7:15. The game will conclude the Saturday evening games on the Recreation field.

for the American side. Earl thinks he is better than four or five of those tapped by non-playing Captain Alrick Man, and he is not without supporters on that score.

But Cochell is only the first to get his dander up. By the time the challenge round starts on August 25, the seven discards from the current deck will be just as sore as Earl is now. It happens every year, and not alone in this country. The non-chosen in Australia have, if anything, a lower boiling point than the U. S. variety.

Probably the maddest player ever not chosen to play was Frankie Parker back in 1946. He, however, had the tremendous advantage of having gone all the way to Australia to receive the bad news. Billy Sidwell is understood to be running a near-record fever at having been left off this year's Australian team.

Time For New Deal

Not only Cochell, but other American aspirants are presented with an unusually good opportunity to work themselves into a lather this year. They feel, and not without some reason, that Captain Man already has settled upon Ted Schroeder and Budge Patty as his two singles players.

A cup captain, it might be pointed out, is prone to go along with those players who have proved themselves in conflict. Schroeder has played on the last four cup teams and has yet to swallow defeat, so Man would seem justified in sticking with him.

But the other boys swear that Ted has gone 'way back in the past 12 months, and they are convinced it is time for a new deal, new faces, if Uncle Sam is to stay at the top of the world tennis heap. Each of a half-dozen players, of course, thinks Uncle Sam needs him, personally.

Nylon ropes are becoming popular with cowboys and rodeo-riders for lariats.

MIDGETS BEATEN BY LITTLESTOWN

The Gettysburg Midget baseball team sustained a 14-0 walling at the hands of Littlestown Thursday afternoon at Littlestown, 10 errors by the local team making the win easy for the Littlestons.

Snyder held Gettysburg to four hits as his teammates secured nine off the offerings of Irvin and Collins. Snyder also whiffed 11 batsmen.

This afternoon at 2 o'clock the Gettysburg outfit clashed with Allentown in the invitation tournament at York.

Next Monday morning the Cardinals and the Phillies meet in the first of a best-of-three game series for the championship of the local Midget league.

Hitchhiker Is Beaten, Robbed

Pittsburgh, Aug. 11 (AP)—Severely beaten by two men who gave him a lift, Chester Hendrix, 48, silk mill inspector of Milton, Pa., was reported in fair condition in St. Francis hospital.

He suffered scalp wounds, a possible skull fracture, shock and loss of blood.

Hendrix said two young men who picked him up near Butler yesterday hit him on the head several times with a bottle, then tossed him out of their car in Penn township, Allegheny county.

When he was found, he reported his wallet, containing \$20, was missing.

Reading, Pa., Aug. 11 (AP)—Raymond H. Engstadt, 36, a former motorcycle racer driver, was killed yesterday when his motorcycle crashed with a truck-trailer on the Lindbergh viaduct. The truck

driven by Steve Leho of Phoenixville, jack-knifed on the wet roadway and struck the motorcycle, police said.

Philadelphia, Aug. 11 (AP)—Crash of a light truck and automobile last night on Bethlehem pike near Valley Green road in suburban Whitmarsh killed Joseph Augustine, 70, of Ambler. Augustine was an employee of the Montgomery county highway department.

Originally the telephone was known as the "speaking telephone."

READ WHAT THIS SHEPPARD DIESEL TRACTOR OWNER SAYS

His newly acquired Sheppard SD3 Diesel Tractor and his Fox Forage Harvester make a real combination for Mr. Lawson Wright of R-1, Biglerville, Pa., who has been doing custom silo filling with his equipment pictured below—

Mr. Wright says his SHEPPARD DIESEL TRACTOR has a lot more power than he ever dreamed possible. The live power take-off and 8 speeds forward make his take-off operation a great success. He has also the 3-point hook-up with which he uses a Ferguson 3-bottom plow.

Mr. Wright states that what interests him most is the great SAVING IN FUEL. He can use his large tractor cheaper than almost any other plow tractor on the market today. In fact, for cultivating he used only 6c worth of fuel per hour with his 3-plow tractor. Check your fuel savings with his and then you will want to own a Sheppard Diesel. Contact Mr. Wright for your custom silo filling.

Why not ask us for a demonstration on your farm. We will be glad to let you check on fuel consumption on your own farm with your own fuel.

STORE OWNER SEIZED AFTER PARTNER SHOT

Northeast, Pa., Aug. 11 (AP)—A posse seized a gun-wielding drug store owner last night shortly after his pretty brunette partner had been found shot to death.

Mrs. Ann Franklin Budde, 45, a widow and registered pharmacist, was lying behind the counter in the pharmacy she owned jointly with Charles Dodge, 47, of nearby Corry, Pa. She apparently died of three bullet wounds in her breast after trying to telephone for help.

The slaying was discovered when Gloria Craft, Northeast telephone operator, reported she had answered a signal and got no answer.

"I heard three or four shots over the phone," she said, "and then everything was quiet."

Emmett Clover, troubleshooter for the phone company, went to the drug store and found Mrs. Budde's body.

Police Chief H. L. Hesling said passersby told him they had seen a man leaving the drug store and he alerted police in both Pennsylvania and adjoining New York state.

Had Disagreed Late
A short time later, Under Sheriff Richard Moynihan, of Mayville, N. Y., reported a posse led by him had seized Dodge and was holding him for questioning by Pennsylvania state police.

Moynihan said the posse found Dodge hiding in some weeds near Findley Lake, N. Y., 17 miles east of Northeast, Pa.

"We closed in on him quick," said Moynihan. "He had a loaded revolver but he didn't get a chance to use it because I jumped on him and twisted it out of his hand."

Police Chief Hesling said Mrs. Budde and Dodge disagreed recently and had decided to dissolve their drug store partnership.

RECORDERS ELECT

Johnstown, Pa., Aug. 11 (AP)—The Pennsylvania State Recorders association named William K. H. Linville of Delaware as its new president at its 1950 convention ended yesterday. The 1951 meeting will be in Wilkes-Barre. Harry W. Waters, Shenandoah, was named first vice president; Clark Powell, Ebensburg, second vice president; Robert H. Hammer, Bedford, secretary; Marion T. Anderson, Harrisburg, treasurer, and Steven Lukacs, Mercer, corresponding secretary.

HELD FOR THEFT

Harrisburg, Aug. 11 (AP)—Louis Ziff, 38, was committed to Dauphin county jail here to await grand jury action on a charge of removing two boxes of women's coats from in front of a local store July 28. Ziff was held in \$5,000 bail after pleading guilty before Alderman Joseph Demma at a hearing here yesterday.

BOARD ADDS 12 NAMES TO TAX DUPLICATE

According to the report of the secretary, Luther W. Ritter, at the August meeting of the Littlestown school board Thursday evening in the Junior Senior high school, the board retired \$5,600 of indebtedness during the past school year. Of this amount, \$4,600 was indebtedness on the new school building, and \$1,000 was the retirement of the bonded indebtedness on the old high school building. Only \$4,000 of the bonded indebtedness remains which is being retired at the rate of \$1,000 per year.

The secretary reported that delinquent taxes for the year ending July 1 amounted of \$848.49 and previous to that time there is outstanding in delinquent taxes, \$488.37.

It was also reported that the balance in the treasury at the beginning of the school year, July 1, according to the auditor's report, was \$730.73.

Secretary Ritter also read the report of the State Tax Equalization board, as of June 30, 1950, which lists the 1949 market value of taxable real property in Littlestown at \$5,204,492 and the 1949 assessed value of the same at \$892,050. The report also states that the per cent of the assessed value to the market value is 17.14.

to \$15,500 which was state appropriation. Bills were ordered paid as follows: Littlestown Joint School board, \$6,800.69 of which \$4,754.46 was for instruction; \$1,722.39 for capital outlay; and \$323.84 was the five per cent reserve. A bill amounting to \$4.77 for playground equipment was also paid.

By a resolution of the board, in accordance with section 3032 of the School Laws of Pennsylvania, 16 names were added to the tax duplicate for the current year.

This meeting was in charge of President Carl Baumgardner. Other members present were Luther W. Ritter, secretary; Wilbur E. Mackley, Lloyd E. Crouse and Henry E. Waltman, Supervising Principal Paul E. King was also in attendance.

Routine business was transacted at the monthly meeting of the executive board of the Littlestown jointure held Thursday evening in the office of Supervising Principal King. The new treasurer, John Schwartz, presented his report for the month of July as follows: Total receipts, \$11,155.55; expenditures: general control, \$0.75; instruction, \$7,695.60; auxiliary agencies, \$1,310.70; coordinate activities, \$156.66; operation of plants, \$585.41; maintenance of plants, \$334.93; fixed charges, \$265.15 and capital outlay, \$40.50; total expenditures, \$10,389.70.

The meeting was in charge of President Ritter. Directors in attendance were: Union township: George Worley and Stanley R. Fell; Mt. Joy: Arthur Buehler and John Schwartz; Germany: Luther Hess and Clayton Harget, and Littlestown: Wilbur E. Mackley and Luther W. Ritter. Also present were supervising principal, Paul E. King, and secretary, Henry E. Waltman. The next meeting will be held Tuesday, September 12.

Philadelphia, Aug. 11 (AP)—The Philadelphia Naval shipyard will hire approximately 500 skilled mechanical workers during the next three weeks, Capt. Leslie A. Kniskern, commander of the shipyard, has announced. This will bring the yard's force up to 8,000 employees by the first of next month.

STEEL NEEDS FOR ARMS MAY NOT HIT PUBLIC

By ELTON C. FAY
(AP Military Affairs Reporter)
Washington, Aug. 11 (AP)—The military expects that even with the new rearmament program its "take" of steel will be no more than five or six per cent of the nation's production.

A munitions board official used this figure today to underline his expressed belief that it will be possible to produce the "hardware"—the planes, ships, tanks, guns and other weapons—asked for in President Truman's \$10,500,000,000 supplemental military request to Congress without any serious blow to the civilian economy.

The estimate on steel requirements represent the first survey made by the munitions board of probable requirements under the rearmament program. The military's slice of steel production now is about four per cent.

Can Stop Frills
Because the nation's steel mills now are at virtually 100 per cent of capacity, it is evident the increased demands of the military must come out of production now going to civilian consumption.

But the munitions official expresses the thought that much of it can be diverted from the frills without making inroads on important or actually necessary items. He comments that, as an example, slot machines aren't vital to civilian economy, but they use steel.

The board also expects it will be able to carry on the Korean war and go ahead with the rearmament program without digging into the nation's stockpile of strategic materials, which the munitions board has been building up for several years.

Not Using Stockpile
The ammunition, tanks, planes and other equipment being rushed to the Korean front now are coming either from available equipment or being turned out in new production (an example is the 3.5-inch bazooka)—but none of the raw material for their manufacture comes from the strategic stockpile.

Under the storing-for-a-rainy-day program, the military is putting away the things which it thinks might be scarce should an all-out global war come. They are materials available now from parts of the world which might be cut off in a world war III.

Currently, there are 71 items on the stockpiling list—things like the basic metals: Tin, tungsten, copper, manganese, chrome; minerals such as asbestos, mica and talc; rubber and rope fiber; drugs and oils.

TRUMAN STATES NO REVIVAL OF OPA IS PLANNED

By JAMES MARLOW
Washington, Aug. 11 (AP)—President Truman has left at least one American mystified. That's me.

At his news conference yesterday he said he does not contemplate a revival of OPA. Of course, no OPA will be needed if we don't have bad

inflation and shortages. But suppose we do and have to have price and wage controls and even rationing. Who'll handle them? Although he didn't go into detail, Mr. Truman certainly gave the impression that the regular government departments will. (He said the old-line agencies—meaning regular departments—will handle any economic or other emergency controls which may be necessary as a result of the Korean crisis.)

Had Tremendous Job
Maybe the regular departments—like Agriculture, Labor, Commerce—could do the job successfully. But that I'll have to see. If they took over the job and made a mess of it, the effect on all of us wouldn't be happy.

If you had been in Washington during World War II you'd understand the true size of the job of price and wage controls and rationing.

OPA handled price controls and rationing. A special war labor board handled wage controls. OPA occupied a big building, divided into many sections to handle the special

fields, like clothing, food, hardware, and so on.

No government agency was ever disliked more by more people. By its very nature it was bound to be unpopular. Its job was to put restrictions on people. So daily, in carrying out its job, it stepped on the toes of groups and individuals.

Confusion Compounded
Suppose the President gave a future OPA job to the Commerce Department. It would have to recruit businessmen, experts in their special fields, to come here to work. And the total new staff probably would not be less than OPA had.

But if price control and rationing

were divided among several agencies, the result could hardly be good. For example:

Suppose the Agriculture Department had the job of controlling food prices and food rationing. (Agriculture Department people don't want any part of this and right now pech-poo the idea.)

And suppose the Commerce Department handled prices on other things, and rationing of them, too. Since there'd be overlapping and conflicts between the two agencies, confusion would almost certainly be compounded.

Take wage controls. Suppose, instead of a war labor board like the

one we had during the war, the Labor Department itself took over the job of holding down wages.

That would make Labor Secretary Tobin a czar over business and workers, and neither side would relish that unless it obtained obvious advantages over the other. If that happened, the wage controls would be a farce and unfair.

Further, if a war labor board was

set up the Labor Department where Tobin is head, he'd still be in effect the boss. During the war the Labor Board—made up of business, labor and government representatives and independent of the Labor Department—at least had the appearance of being impartial.

Maybe Mr. Truman and his advisers have all this worked out but if so, they haven't revealed it.

First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his heart's still young.

You can tell he likes action for his money—that he knows a fine car needn't be the most expensive to give the greatest value.

Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.

Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the light-weights are no match for this road-steady husky—not with the 152-horsepower straight-eight Fireball engine that purrs beneath its bonnet.

Maneuver beside him at the next stop light. Then just try to get away as smoothly, swiftly and silently as Dynaflo Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.

But don't waste time merely envying the man in this great car! Why not emulate him?

With all its outside room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.

In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.

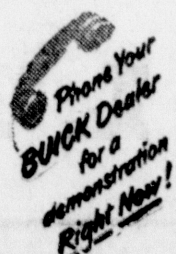

So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for other top-line cars.

been engaged—all but the Civil War, or War Between the States, as he prefers to call it. When Mr. Meligakes read of brothers fighting brothers—Americans fighting Americans—for the emancipation of slaves, he was confused and bewildered. He asked many questions. Is this Democracy? Why Gettysburg? Why was Lincoln, the great Emancipator, assassinated? Why, after the great Northern victory at Gettysburg, was the war prolonged for two more arduous years? These and other questions excited his imagination and nurtured a longing to sift the issues and present his own views and thoughts—his own interpretation of THE SPIRIT OF GETTYSBURG.

Mr. Meligakes devoted many years of painstaking and, for him, difficult study and research. He spent countless hours poring

through history books, biographies, and numberless accounts of the campaigns. He applied himself diligently to his task. Beside him always could be found a dictionary. His brief schooling handicapped him. He never became discouraged. On the contrary, the more deeply he delved, the greater his quest for knowledge became and the more it served as a spur to him. Mr. Meligakes is not prompted by any financial gain. Gettysburg and Lincoln, once mere words to him, now frame a symbol before his eyes as magnificent and sacred as the preservation of his new-found country. Democracy to him has been an experiment, daring and heroic, and to be cherished and fought for—supreme above all other forms of government.

To Mr. Meligakes, the struggle for survival of his adopted country reached its climax at Gettysburg in 1863. It was a milestone of bitter and glorious significance. It was the High Water Mark of the salvation of a great nation—a nation united! That is why Mr. Meligakes, a Greek immigrant, wrote THE SPIRIT OF GETTYSBURG.

MARTIN, DUFF AND MYERS AT LEGION CONFAB

Philadelphia, Aug. 11 (AP)—U. S. Senator Edward Martin (R-Pa.) said today "developments in Korea make it perfectly clear we are totally unprepared now to meet a formidable foe."

Speaking before the 32 annual convention of the Pennsylvania department of the American Legion, Martin said the U. S. found itself "outnumbered and outgunned in Korea, completely unprepared to stop the Communist-trained and equipped North Korean divisions."

"It was estimated recently by Winston Churchill," Martin said, "that Russia today has 175 active divisions and that within a few months she could put 300 divisions in the field. Of the active divisions, one third are mechanized and armored."

"People Should Be Told" "What do we have to match that strength?" The Pennsylvania asked, adding: "If the Communists should strike tomorrow in Western Europe using half of their divisions, the defending forces of the United States, England, France and Belgium combined would number only 12 divisions, of which only two are armored."

The American people should be told now, Martin said, that the present situation calls for "immediate mobilization of all our forces, military, labor, industrial, agricultural, financial and spiritual."

"The American people should be told," he said, "completely and honestly, the dangers that may be encountered in the road ahead. x x x They should be told about the sharply increased burden of taxation they will be called upon to assume to pay the cost of our nation's defense."

40 And 8 Parade Thousands of the state's Legionnaires took time out from serious convention business last night for the colorful parade of their fun-making organization, the 40 and 8. Led by their puffing, bell-ringing "locomotives," the marchers paraded in comic and bizarre costumes for an hour down Benjamin Franklin parkway and Broad street. Legionnaires from York were clad in pajamas, each of a different color ranging from candy stripes to

fireman red. A Boyertown contingent sported dresses, outlandish hats, false noses and corn cob pipes. A group of Altoona residents wore T-shirts and gayly-colored hula skirts.

The parade climaxed a busy day during which the Legionnaires were told by Gov. James H. Duff that Communists in the U. S. should be hanged as traitors.

Gov. Duff Speaks "As long as I am chief executive of the commonwealth," he said, "we will treat Communists in Pennsylvania as they ought to be treated—as traitors. x x x Instead of going to prison these guys out to be hanged like any other traitors." The governor also called for total mobilization on the home front during the present international crisis.

Sen. Francis J. Myers (D-Pa.) told the convention that "Red aggression in Korea has united and strengthened America and the free world enormously. The penny pinchers and isolationists," he said, "were steadily building up their vote strength and our defense and foreign aid were feeling the effects of their assault. Had the Communists chosen to sit tight they could have witnessed perhaps the spec-

YOUTH IS KILLED

Phoenixville, Pa., Aug. 11 (AP)—A 15-year-old boy was killed and his brother injured last night in the

collision of their motorcycle and an automobile. William Funderwhite, of Route 113, near Kimberton, Pa., was pronounced dead at the scene by a passing physician, Dr. J. Elmer Gottwald, of Phoenixville. William's brother, Clyde, 17, was taken to

Phoenixville hospital with a right leg fracture.

Photography transmission by wire first was attempted through the use of a system of codes, which when put together would give a fair representation of the original.

Perfect Reward for Achievement!

WHEN A MAN PLANS and dares and endeavors until he achieves something out of the ordinary—few would deny him some taste of the fruits of his labor. "Tis toil's reward that sweetens industry."

"As you have sown, so also shall you reap."

"According to the labour, so is the reward."

And we believe sincerely that—for the average man—there is no sweeter personal reward for achievement than a Cadillac car.

First of all, it is the perfect symbol of attainment. In almost every community where adequate highways exist, Cadillac is known and recognized as the overwhelming favorite of the world's distinguished people.

And few possessions, indeed, can give so much personal happiness to their owners—during so many days in the year.

A Cadillac car is a constant joy to drive. You can sit at the wheel, for hour after hour, completely at

ease. Many owners say they drive hundreds of miles each week—just for pleasure and relaxation.

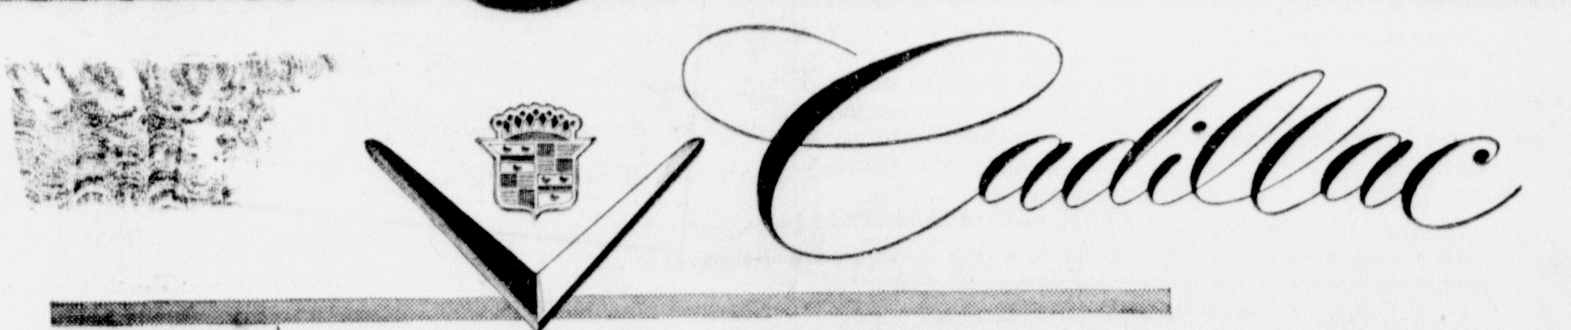

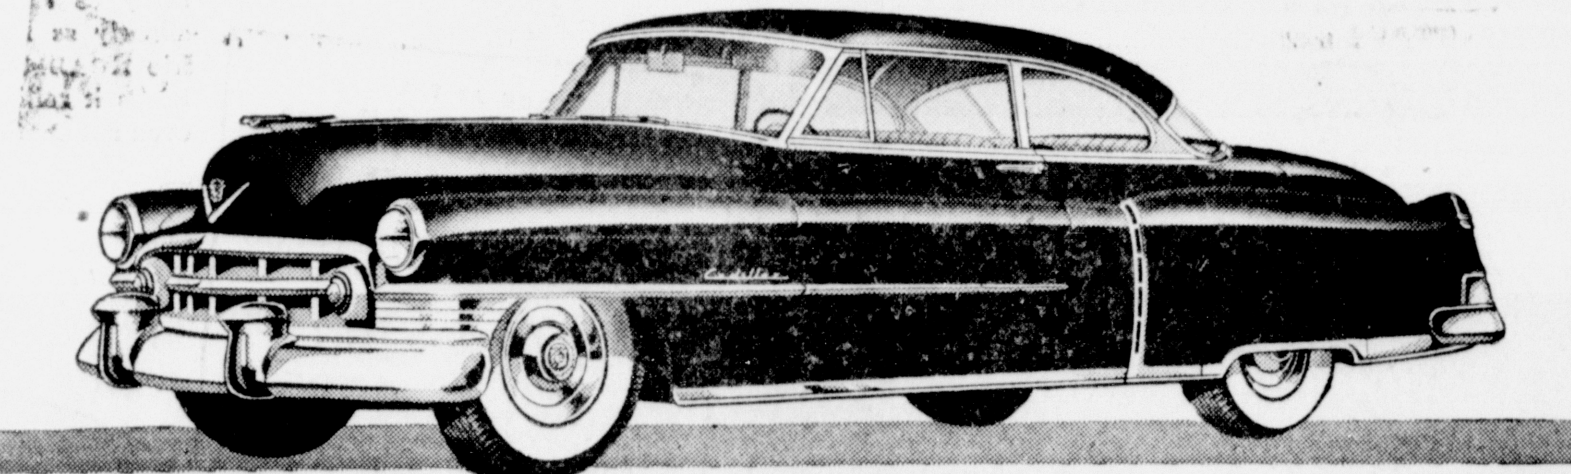

And it adds so much to your satisfaction to know that economy goes with you—each mile you drive.

It actually costs less to buy the lower-priced Cadillacs than certain models of numerous other makes of cars. A single tankful of gasoline will usually suffice for a full day's drive. And the full lifespan of a Cadillac has never yet been measured.

If you are one who has planned and labored until you've earned something special for yourself—come in and see us.

We know you'd enjoy a Cadillac—and even your severest critic would have to admit that it's a practical car to buy.

P.S.: Perhaps you know some modest man who ought to read this message. If so, we think you'd be doing right if you brought it to his attention.
